First Assembly of God

I received these two articles in the mail recently along with some bulletins. They make a strong statement but are humorous at the same time. I trust they will brighten your day:

A father was approached by his small son who told him proudly, "I know what the Bible means!" His father smiled and replied, "What do you mean, you 'know' what the Bible means?" The son replied, "I do know!"

"Okay," said his father. "What does the Bible mean?"

"That's easy, Daddy," the young boy replied excitedly. "It stands for 'Basic Information Before Leaving Earth'." The B-I-B-L-E. How simple, but also how true!

- THE FACTS OF LIFE
1. God wants spiritual fruit, not religious nuts.
 2. Dear God, I have a problem. It's me.
 3. Growing old is inevitable; growing UP is optional.
 4. There is no key to happiness. The door is always open.
 5. Silence is often misinterpreted, but never misquoted.
 6. Do the math; count your blessings.
 7. Faith is the ability to not panic.
 8. Laugh every day, it's like inner jogging.
 9. If you worry, you didn't pray. If you pray, don't worry.
 10. As a child of God, prayer is kind of like calling home.
 11. Blessed are the flexible for they shall not be bent out of shape.
 12. The most important things in your house are the people.
 13. When we get tangled up in our problems, be still. God wants us to be still so HE can untangle the knot.
 14. A grudge is a heavy thing to carry.
 15. He who dies with the most toys is still dead.

SMILE...GOD LOVES YOU!!! HAVE A GREAT DAY!!

Area students graduate from Troy University

Li Gen Russel Honors, who has gained worldwide attention for commanding post-hurricane relief efforts on the U.S. Gulf Coast, told Troy University graduates Friday that they need to prepare to assume leadership roles in the years to come.

"The world needs your mind, the world needs your ideas," Honore, commander of the First U.S. Army, told students receiving diplomas at Sartain Hall on the Troy Campus. "No matter what you choose to do, the world needs you."

Honore recited the famous prayer of St. Francis of Assisi, which includes the famous opening line, "Lord, make me an instrument of your peace."

Dr. Hawkins awarded diplomas to more than 500 graduates from 17 U.S. states and 12 nations outside the United States.

A Gold Mine in Bedroom Drawers

Newsweek: People are selling their old scrap gold that is gathering dust for its cash value because gold prices are so high. With the price of gold at a 25 year high (over \$650.00 per ounce), it makes sense. GoldKit.com, a gold recycler, offers free insured recycle kits so people may cash in their scrap with 24 hour service and guarantee satisfaction. They accept broken and outdated items like chains, charms, rings and more. "Everyone has bits of gold just lying around which can be turned into cash" says Richard Zakroff, VP of marketing. "Even old dental gold has value." GoldKit.com processes over 10,000 recycle kits per month. People can get a free GoldKit at 1-800-283-4700 or GoldKit.com.

The Pressbox

By Ricky Mularz, Sports Editor

Both the Mularz girls will be out of school for the summer by the end of the week and hopefully that means they will help out with a few daily household chores before they head off to work. I have dreams of no dirty dishes in the sink, no piles of dirty clothes in their closets and a well vacuumed carpet that smells outside fresh. That would really make it a summer that this 'ole Dad would really enjoy.

FOR WHAT IT IS WORTH....

*** Elba High School held its annual "Black and Gold" intra-squad football game last week and even though the players were divided on two squads it was easy to see that next year's Tigers may be quite a bit better than many of us had thought. Next year's edition of the Tigers should have a big, physical line on both offense and defense, as well as a stable of young running backs that run hard on every play and a couple of tall and lanky receivers that can jump high and pull in passes. Elba fans may have to be a little patient early on as the young quarterbacks settle into the system, but both quarterbacks showed they had some skills in leading their teams on scoring drives and they should give the Tigers a 1-2 punch from the position. The secondary didn't shine in the annual grudge match and gave up some big plays. However, when the two teams are put together that is a hole that should be filled with some of the receivers. The Tigers will be making the move back up to Class 3A next season and will face a schedule that includes such teams as 4A Opp; 3A region foes Pike County, Straughn and Geneva; as well as cross-county rival New Brockton. One thing that is clear is that this will be a very important summer for the Elba Tigers if they plan to be big winners in the '07 season.

*** The Elba Lady Tigers saw their softball season draw to an end last week with a pair of losses to Marbury and a season that started off with such high hopes finished with tears of disappointment and thoughts of what might have been. The two losses at sub-state gave the Lady Tigers a final record of 17-13, as well as a four-game losing streak to close out the season. All three Elba seniors signed junior college softball scholarships with Enterprise-Ozark Community College and will continue their careers, while the players coming back will have to rededicate themselves and work hard to get the program back to the state tournament. Next year the expectations won't be as high as the girls may actually get the chance to sneak up on a few folks. The best thing about the end of a season is that the next time the team hits the field its record will be 0-0 and it will get to start anew.

*** The Kinston Lady Bulldogs punched their ticket to the State Tournament with sub-state wins over Arton and J.U. Blacksher, and the girls from down near the county line should have a very good chance to improve on last season's top four finish. Kinston has a well coached young team with very good pitchers, a solid defense and dependable hitters that know how to drive in runs and make things happen. The Lady Bulldogs have played a lot of games all over the state to gain experience, and this week will get the chance to put all their hours of hard work to the test. The guess here is they will pass with flying colors.

*** In closing.... I saw a picture in the paper a few weeks back of the new Elba High band uniforms and recently have seen a couple of car tags with the new Elba "E" on them, and I for one wish the school officials would sit down and change the long time Elba High emblem back to the old English "E" that has hung so proudly in the auditorium, has been emblazoned on school letterhead and yearbooks, and has been a proud part of the rich history of the school for so many years. There is nothing wrong with tradition, and with the old high school building now just a memory, the time is now to go back and insure that a least a part of the history will never die. Change for the better is okay, but change just for the sake of change is often little more than one person's idea or simply a passing fancy. Elba may have a new school in a new location. However, it is still Elba High School and its tradition and history should never change. I know this is just a small change and many people may not even notice, but if enough small changes take place they will combine for a big change and we will lose more and more of what once helped make our school so great!

Late score lifts Black to 20-16 win over Gold

The Black turned back a furious second half Gold rally last Friday afternoon to claim a 20-16 win in the annual Elba High Black & Gold game.

The Black jumped out to an early 14-0 lead behind the play of quarterback Gavin Respress on offense and linebacker Chase Boutwell on defense, but saw the Gold rally behind the play of quarterback Trey Martin and the running of Trey Belcher to take a late 16-14 advantage.

The Black scored late on a pass from Respress to Frank Morris to pull out the 20-16 win and claim bragging rights for the day.

Elba will host Samson this Friday night at 7:00 PM at Tiger Stadium in a spring football jamboree.

Lady Tigers end season with sub-state loss to Marbury

The Elba Lady Tigers saw their softball season come to an unexpected end last Tuesday afternoon when they suffered a double-header sweep at the hands of the Marbury Lady Bulldogs, in Marbury, in the opening round of the Class 2A Sub-State playoffs.

Following are highlights of both games:

MARBURY 3 ELBA 1

Elba fell behind 2-0 early and saw a late rally fall short as the Lady Tigers dropped a 3-1 decision in the opening game of the

best-of-three series. The Lady Tigers managed only one hit in the opening four innings of the game, while Marbury combined one hit with one walk and one error to plate two runs in the second, then combined one hit with one error in the fourth to move ahead 3-0. Elba stranded a runner on third in the fifth after a lead-off single by Krystan Parker, and finally got on the scoreboard in the seventh when Stephanie Baxley led off with a single and scored on an RBI single by Ashley Carpenter. That was the only run the Lady Tigers could manage; however, as they dropped the opener 3-1.

Stephanie Baxley had 2 hits and scored 1 run to lead Elba at the plate, but was saddled with the loss on the pitching rubber as she allowed four runs (two earned runs) on four hits and one walk, while striking out 11 batters.

MARBURY 4 ELBA 3

Elba saw a late rally fall one run short as they were defeated by Marbury 4-3 in game two of the series. Marbury combined 2 hits with an error to jump ahead 1-0 in the opening inning, then added a lone run in the third

best-of-three series. The Lady Tigers managed only one hit, two walks and an Elba error. Marbury combined four hits with two errors and a walk to move ahead 4-0 in the fifth and appeared to have the win well in hand, but the Lady Tigers rallied in bottom of the inning and scored three runs to pull within 4-3. A lead-off single by Whitney Lawford ignited the Elba rally, while April Finedore followed with an infield hit. Lawford scored on a sacrifice bunt by Kiswana Cole, and after Melanie Mularz was hit by a pitch, Stephanie Baxley delivered a two-run triple to pull Elba within 4-3. Elba had two more at-bats in an attempt to pull out the win, but failed to get a runner past first as the Lady Tigers saw their season end with the 4-3 loss.

Melanie Mularz had 2 hits and scored 1 run to lead Elba at the plate, while April Finedore and Whitney Lawford both added 1 hit and scored 1 run, Stephanie Baxley had 1 hit and knocked in 2 runs, and Ashley Carpenter added 1 hit. Baxley was the losing pitcher as she allowed four runs (two earned runs) on 11 hits and 3 walks, while striking out seven batters.

Elba Lady Tiger coach David Collins took a moment to meet with his three seniors last week after the softball season drew to a close with a sub-state series loss to Marbury. Pictured (l-r) are Whitney Lawford, Coach Collins, Kendall Stinson and Stephanie Baxley.

Georgia Asphalt Series set for SAS May 20

The hottest late model stock car touring series in the country is getting ready to invade South Alabama Speedway in Kinston, Alabama.

The Georgia Asphalt Series for Pro Late Model Stock Cars heads to the 4/10th mile oval, Saturday evening, May 20. This will be the first ever visit for the GAS Series to the state of Alabama.

In the first 5 events of the 2006 season, the GAS Series has averaged nearly 40 cars at each event. The series has already held events at Lanier National Speedway in Braselton, Georgia, Peach State Speedway in Jefferson, Georgia, Anderson Motor Speedway in Anderson, South Carolina, Watermelon Capital Speedway in Cordale, Georgia and South Georgia Motorsports Park near Valdosta, Georgia.

The hottest driver on the tour is Corey Ruble of Dothan, Alabama. Ruble has won the last three GAS Series events. Several area drivers are expected to enter including Andy Pugh of Geneva, Alabama, South Alabama Speedway Track Champion Joey Watkins, Steven Davis of Satsuma, Alabama, Frank King and Dwayne Middlebrooks of the Montgomery area. Drivers from 4 states are expected including a majority of the field from the state of Georgia.

Qualifying for the Georgia Asphalt Series - Wiregrass 100 will begin at 6:00 with racing at 7:00.

Local divisions will also compete.

Two EHS seniors make Troy University colorguard

by Christina Bryant

On Saturday, April 22, Elba High School seniors Andrea Bond and Ashley Carley tried out for Troy University's "Sound of South" band colorguard.

The process began Friday, April 21, for the participants to learn the group routine. After tryouts the girls were announced to be a part of the 22-member Troy University Colorguard.

Andrea and Ashley both were granted with uniform scholarships worth \$200 each. Congratulations, girls, on this achievement. We are very proud of you!

ELBA HIGH SENIORS Andrea Bond (left) and Ashley Carley (right) recently were named to the 22-member colorguard of Troy University's 2006-07 "Sound of the South" Marching Band.

Way to Go!

by Judson Vaughan

Recently, the FFA quartet traveled to LWB for the annual FFA District Eliminations.

History repeated itself one more time as the quartet, made up of Judson Vaughan, Gale Olson, Brianna Bailey and William Carpenter, received second place to Enterprise punching their ticket once again for the state competition.

With the help of director Nathan Carroll and pianist Kaye Mack, the group has certainly shown itself worthy of competing with the state's finest quartets. On June 1st, the group will travel to Auburn for the state competition and will challenge five other groups for the covenant first place title.

The group is no stranger to the competition having competed the past years and most recently placing third. This group is no doubt the best one in the past five years, and the chances of winning it all are very good.

The four Elba High students have spent countless hours per-

fecting and critiquing each note, and with the song selection the hopes are high.

The group can be heard around town at numerous churches and will be singing for the city on May 18th at the

2005 MISS AMERICA Deidre Downs with Representative Terry Spicer prior to the annual Elba High School Black and Gold football game last Friday, May 12, at Tiger Stadium in Elba. Rep. Spicer introduced Downs to Elba students and others in attendance for the game as she spoke briefly on the importance of staying in school.

Elba Lady Tiger volleyball team under new leadership

by Clara Burrows

The Lady Tigers volleyball team is being coached by Mrs. Amanda Martin.

Mrs. Martin is a new teacher at Elba High School this year. This is her first year coaching volleyball.

Cosch Martin took on the role after Mrs. Amelia Rhoades retired this year.

Tryouts were held last Tuesday and Wednesday, and 32 girls were selected to represent Elba High School as the 2006 Lady Tigers.

"I am excited to play with a new group of girls and a new coach," said Anna Petty, an upcoming senior. "It's like a fresh start for my senior year!"

Kinston Lady Bulldogs make it look easy in sweep past J.U. Blacksher in sub-state series

The Kinston Lady Bulldogs swept a double-header over J.U. Blacksher Saturday afternoon to advance to this week's Class 1A State Softball Tournament.

The Lady Bulldogs rolled to a 12-0 win in the second game as Kaleigh Sanders pitched a two-hitter and recorded 7 strikeouts.

Candace Patterson and Sanders both had 2 hits to lead Kinston at the plate, while Holley added 1 hit. Kinston (28-20) will begin play at the state tournament Thursday morning at 9:00 AM at Lagoon Park.

For Upcoming Primary and Constitutional Amendment Election

Deadline to apply for absentee ballots is June 1st

Applications for absentee ballots must be filed in the office of the Absentee Election Manager not less than five (5) days prior to the Election. The deadline to apply is Thursday, June 1, 2006, by 4:30 PM. The deadline to apply for Medical and Business Emergencies is no later than the close of business on Monday, June 5, 2006.

Any qualified voter of this State may vote an Absentee Ballot, provided that they meet one of the requirements (17-10-1 et seq. Code of Alabama), as contained in the application, which is available in the office of the Absentee Election Manager and the Probate Judge officers in the Elba and Enterprise courthouses.

After completing and signing the application, the voter may

hand the application to the Absentee Election Manager or forward it by U.S. Mail. **NO ONE IS ALLOWED TO BRING IN AN APPLICATION FOR ANOTHER PERSON** (not even a family member), the only exception being a Designee for a Medical Emergency. By law, the Absentee Election Manager can only accept one application per envelope that is received by U.S. Mail. The application must provide the Alabama residence address where the voter is registered to vote, even if the ballot is to be mailed to another address where the voter regularly receives mail. If you have moved since you registered to vote, please contact the Coffee County Board of Registrars to update your address prior to

applying for an absentee ballot. They may be reached by phone at 894-5347 and by mail or in person at #6 County Complex, New Brockton, AL 36351.

The Absentee Election Manager may hand the ballot to the voter, or forward it by U.S. Mail to the voter's residence address or upon written request to the address where the voter regularly receives mail. **NO ONE CAN RECEIVE OR RETURN A BALLOT FOR ANY OTHER PERSON** (not even a family member), exception being a Designee for Medical Emergency. **INSTRUCTIONS WILL ACCOMPANY EACH BALLOT AND MUST BE FOLLOWED CAREFULLY TO INSURE THAT YOUR BALLOT IS COUNTED.**

Alabama law now requires all voters to provide identification prior to voting. If your ballot is mailed, a COPY OF IDENTIFICATION MUST ACCOMPANY THE BALLOT. The law provides for a Provisional Ballot where: 1) Identification is not properly provided; 2) the voter is not identified as appearing in the precinct for which the voter seeks a ballot; or 3) an absentee precinct inspector or clerk has had knowledge that the individual is not entitled to vote at the precinct applicable to the voter's ballot and challenges the voter's right to vote a particular ballot. The law provides ways for voters to correct deficiencies so that provisional ballots can be counted. (Section 17-10A-2, Code of Alabama)

BALLOTS MUST BE RETURNED BY THE VOTER IN PERSON TO THE ABSENTEE ELECTION MANAGER NO LATER THAN 4:30 PM ON MONDAY, JUNE 5, 2006, or if mailed, MUST BE POST-MARKED NO LATER THAN ONE DAY PRIOR TO THE ELECTION AND RECEIVED IN THE MAIL NO LATER THAN NOON, JUNE 6, 2006. Business Emergency Ballots must be voted in the office in person and handed to the Absentee Election Manager. Medical Emergency Ballots must be returned no later than noon on Election Day.

Any person desiring to vote ABSENTEE may come by the Absentee Election Manager's office at 35 County Complex, New Brockton, Alabama.

For more information about ABSENTEE VOTING, call Linda Mills, AEM, at 894-1100.

American Red Cross offers courses

The American Red Cross will offer a Health and Safety Instructors Course Monday, May 22, and Tuesday, May 23, from 9 a.m. until 6 p.m. This is a 2-day course and participants must register before the class. Cost is \$100.

Participants must be currently certified in CPR & First Aid (Under new Guidelines). The next regular CPR Class is May 15, 16, and 18 from 6-9 p.m.

at the Enterprise Civic Center. Call 347-2461 to register.

2005 MISS AMERICA DEIDRE DOWNS enjoyed lunch at The Ranch House in Elba Friday, May 12, before speaking to Elba City School students prior to the annual Black/Gold football game. Downs was in town on behalf of Enterprise-Ozark Community College to encourage students to stay in school. JoAnn Driggers is shown helping Downs with her food selection for lunch.

Many Elba citizens got the opportunity not only to meet but have their picture taken with 2005 Miss America Deidre Downs while she was in Elba last Friday. As one citizen said, "It's not every day you get to have your picture made with Miss America." Above, she is shown posing for the camera with brothers Seth Hanchey and Aaron Hanchey before eating lunch at their family's restaurant.

State offers several student aid programs

Alabama students headed to college have several state financial aid programs for which they may be eligible.

The Alabama Commission on Higher Education (ACHE) admin-

isters four programs that can help Alabamians pay for college. They include the Alabama Student Assistance Program Grant, which provides up to \$2,500 to needy undergraduate

students attending eligible Alabama colleges. The Alabama Student Grant is a similar program that offers smaller grants for students attending certain private colleges in the state.

The third ACHE program provides educational assistance to the dependent or spouse of a police officer or firefighter killed or permanently disabled in the line of duty in Alabama. It's for undergraduates attending a public Alabama college. The fourth ACHE program provides tuition grants to members of the Alabama National Guard. It provides assistance at both the undergraduate and graduate levels.

Other programs, offered by Alabama's two-year colleges, include academic, athletic and performing arts scholarships. There's also a scholarship for Alabamians age 60 and older who want to take classes at two-year schools.

Other state agencies also provide help to Alabama residents. The Alabama Department of Education

administers the Robert C. Byrd Scholarship, which provides up to \$1,500 per year for four years. It's based on ACT/SAT scores and high school academic record. Byrd Scholarships don't have to be used in Alabama.

The Alabama Department of Rehabilitation offers a scholarship for the dependents of blind parents. It covers the cost of textbooks. And Alabamians who are members of a federally recognized Indian tribe may be eligible for a scholarship from the Alabama Indian Affairs Commission. State aid is also available to children and spouses of veterans through the Alabama Department of Veterans Affairs.

The state treasurer's office offers the Alabama Higher Education 529 Fund, which lets families save for college expenses, and the Prepaid Affordable College Tuition (PACT) program, which lets parents and others prepay four years of college tuition.

Elba BOE renews 3-year contract for Superintendent Danny Weeks

by Ferrin Cox, Publisher

The Elba City School Board met in special session on Friday afternoon, May 19th. The main purpose of the called meeting was to consider a committee recommendation on extending the contract of Superintendent Danny Weeks.

Weeks reminded board members at the regular monthly meeting earlier in the month that his three year contract would expire in June.

The board heard the committee report of Josh Wilson, Katrina Calhoun and Bill Brunson which recommended renewing the three year contract with Weeks as superintendent.

Wilson reported he contacted the State Association of School Boards for copies of contracts and a schedule of salaries of school systems similar to Elba's.

The new contract contains some modifications of the former contract with Weeks and does include a \$2,000 annual pay raise. Weeks had said earlier he liked the job and would rather additional money stay in the school system for the benefit of staff and the needs of the students.

Weeks began his career in the Elba school system in 1992, as an assistant coach with Elba coaching legend Mack Wood, serving as coach and assistant

principal and later as high school principal. In 1993, he was named head basketball coach and has served as superintendent for the past six years. After the board had approved the contract and it had been signed by both Chairman Bill Brunson and Superintendent Weeks, Wilson said, "I am confident it is a good contract both for the Board and for Mr. Weeks."

One addition to the contract calls for annual evaluations of Week's performance in addition to the evaluations required by the State Board of Education. Weeks will continue to be eligible for any percentage pay raises approved by the Alabama Legislature.

In other business the board approved naming former band director Jeff Ellis as the new technology coordinator, filling the position left empty with the recent death of David Stokes. Work began immediately to find a new band director.

The board also approved the advertising of jobs to fill potential staff vacancies in both administrative positions and secondary teachers.

Minor budget amendments were approved upon the recommendation of the superintendent.

Elba City Council votes to vacate Dunham Street

by Ferrin Cox, Publisher

The Elba City Council approved the vacating of Dunham Street Monday night.

The street, across from Dorsey Trailers - connecting Hickman Avenue and Martin L King Drive, will be barricaded on each side of the old Beaver Dam Creek bed and 300 feet of the road removed (150 foot easement each side of the centerline of the old creek bed. This

is part of the project to improve the heavy rain water storage capacity for the two drainage pumps draining the downtown area. The pumps are located between Putnam and the levee.

City Clerk Wayne Grantham reported city crews are busy cutting grass and were making headway on the project. He also noted that demolition of the old school is moving smoothly, and

"Dining for Signs" raises funds for welcome signs

by Linda Hodge, Editor

The Elba Chamber of Commerce hosted "Dining for Signs" last Thursday evening, May 18, at the Recreation Center in Elba, and the large crowd was an indication of a successful event.

"It was a great turnout," said Kaye Whitworth, executive director of the Elba Chamber of Commerce. "Everyone seemed to enjoy the event, and there were lots of beautiful tables and unique ideas."

"Dining for Signs" is a fund raising event designed to generate funds to cover the cost of construction of lighted, brick welcome signs placed at the major entrances into Elba. The first "Dining for Signs" event sponsored by the chamber in 2004 allowed for a sign to be constructed at the Alabama Highway 87 (Troy Highway) entrance way.

During last Thursday evening's event, Doris Matthews, current president of the Elba Chamber of Commerce board of directors, said the first "Dining for Signs" event not only paid for the construction of the Hwy. 87 sign, but enough funds were raised to leave approximately \$1,500 in the project account. She said committee members hoped to raise enough funds with last week's "Dining for Signs" to pay for the construction of a new sign

along the U.S. Highway 84 E. entrance way near National Security.

Approximately 275 people attended the event which featured a catered meal, as well as, a live and silent auction, entertainment by the Elba High School FFA Quartet and, of course, the individually decorated tables.

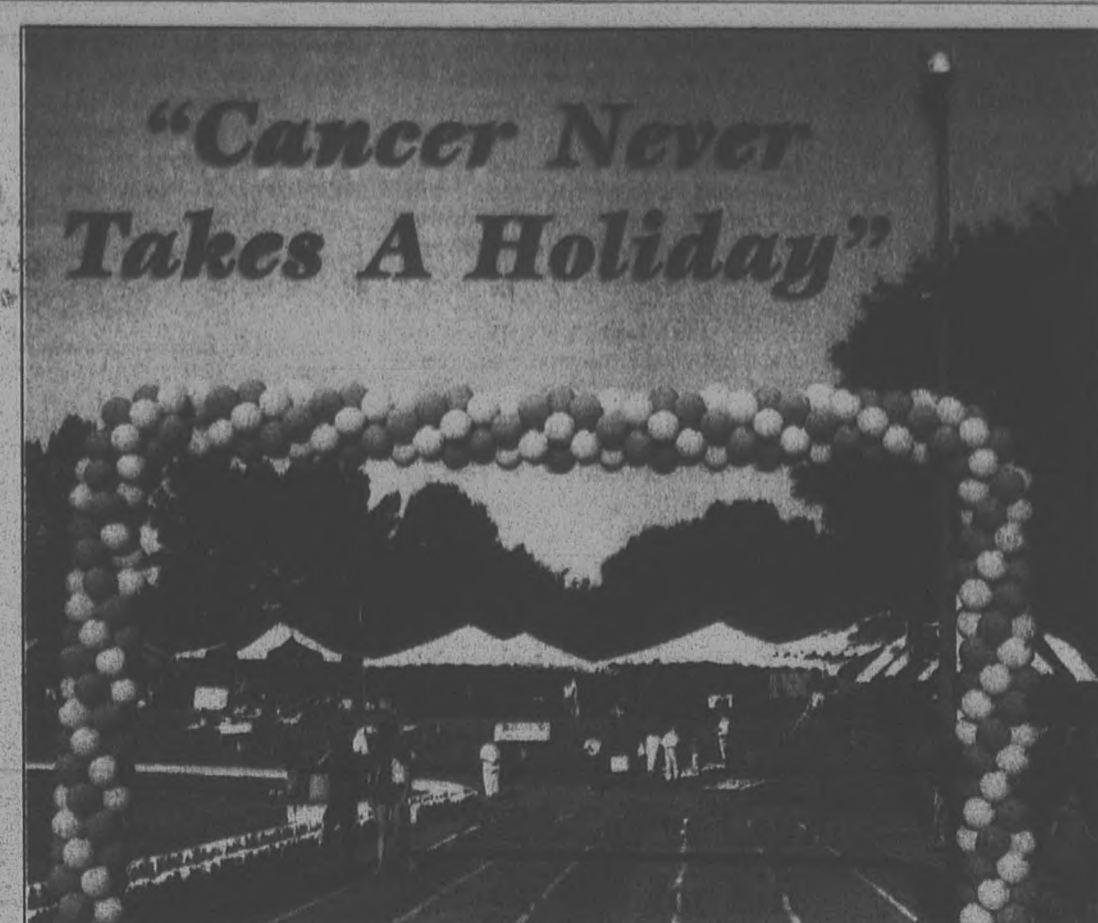

"We really need to thank those who donated items for the auction," Whitworth said. "There were lots of great items, and the auction was big part of our fund raising efforts."

After expenses, she said it looks as though the profit from the event will be around \$7,000 which will certainly pay for the construction of the city's second new welcome sign.

"The chamber appreciates the cooperation of the citizens of Elba to make this happen," Whitworth said. "It's a really great event, and we will be planning another sometime in the future."

EDDIE AND MELINDA VAUGHAN were among the approximately 275 people attending last Thursday evening's "Dining for Signs" event. The couple sat at a table sponsored by gubernatorial candidate Lucy Baxley. There were 34 sponsored tables with each uniquely decorated by the sponsor. Many people enjoyed walking around looking at the different table designs ranging from "Bob the Builder" dinnerware and beach themes to elegant floral designs and political themes. While no two tables were alike, everyone did seem to agree on one thing... "Dining for Signs" was loads of fun.

COFFEE COUNTY RESIDENTS dedicated to raising funds to assist the American Cancer Society in its efforts to find a cure for cancer were on the Enterprise-Ozark Community College track last Friday, May 19, for the annual Coffee County Relay for Life event. The first lap of this year's event was completed by more than 300 cancer survivors. The day began early Friday for those survivors as many met at the First Baptist Church of Enterprise fellowship hall for a Survivor's Breakfast. The Coffee County Relay for Life began in 1992 and has raised more than \$2 million since that time to assist in the fight against cancer. The event is held annually in May. While walking is the task at hand during the Relay, the luminary ceremony continues to be a large part of the event. Luminaries were placed around the track during the day Friday by Fort Rucker's 1st Aviation Battalion, 212th Aviation Regiment and Relay for Life committee members. Shortly after dark Friday evening, the luminaries were lit in honor of those currently battling or survivors of cancer, as well as, in memory of those who lost their battle to the deadly disease. For those who attended this year's event, it again proved to be an enjoyable and worthwhile venture. Additional scenes from the Relay can be found on Page 16.

During Coffee County Commission meeting

Commissioners take step to collect old debt for county

by Linda Hodge, Editor

A concerned citizen presented an animal control issue to Coffee County Commissioners Monday morning, May 22, during the group's regular bimonthly meeting.

Sherry Perdue, a District One resident, said a neighbor moved away several months ago leaving several dogs behind. Since that time, she said she has expressed concern that the animals are starving. Also, she said she is concerned the animals will start attacking other animals and children due to the situation.

Perdue said she spoke with the animal control officer for the City of Elba, and he was very nice. She said he said he would help, but he can not come out and get the dogs because it is out of the city's jurisdiction.

However, she said the control officer said they could bring the dogs to the Elba pound if someone could catch them.

Commissioner Westbrook said she and Perdue had discussed this problem, and she told her the county does have cages available if the dogs were caught. Also, she said the county has an agreement with the City of Elba for stray animals to be brought to that pound.

Perdue, however, said unfortunately not all the dogs can be captured.

When asked, county administrator Wilson Mobley said the county currently is doing what is required by law in regards to animal control.

Perdue said she has spoken with District One Commissioner Linda Westbrook, officials with the Coffee County Sheriff's Department, the animal control officer for the City of Elba and Senator Jimmy Holley.

"I believe Coffee County should supply some way of helping us," said Perdue. "My problem is that we can't get any help, and I believe we should have the opportunity to get some help with these dogs."

Perdue said she spoke with the animal control officer for the City of Elba, and he was very nice. She said he said he would help, but he can not come out and get the dogs because it is out of the city's jurisdiction.

However, she said the control officer said they could bring the dogs to the Elba pound if someone could catch them.

Commissioner Westbrook said she and Perdue had discussed this problem, and she told her the county does have cages available if the dogs were caught. Also, she said the county has an agreement with the City of Elba for stray animals to be brought to that pound.

Perdue, however, said unfortunately not all the dogs can be captured.

When asked, county administrator Wilson Mobley said the county currently is doing what is required by law in regards to animal control.

Westbrook thanked Perdue for bringing this issue to the commission, and she said it is something commissioners need to look at during a work session.

Mobley asked commissioners for permission to enter into agreement with RCM of Dothan, a collection agency, to collect old debt for Coffee County.

If approved, he suggested the county start with old solid waste collection service debt.

Over the years, Mobley said the old account debt has accumulated and now is at nearly \$100,000. In many cases, he said the debtors with these old accounts have moved leaving no forwarding address.

Commissioner Westbrook made a motion with a second from Commissioner Bernest Brooks that the county enter into agreement with RCM of Dothan to try and collect the money owed on these accounts.

Also, the motion called for the county to send a letter to active past due accounts letting the debtor know he/she has 30-days to either settle the debt or make some sort of arrangement to settle.

In the letter, Westbrook asked it be explained to the debtor that if the account is not settled it will either be turned over to small claims court or the collection agency, and the garbage can will be picked up from the residence.

"We need to be very aggressive about this collection of debt," Commissioner Linda Westbrook said. "It could help reduce the price for our collection service."

Westbrook said, "It could help reduce the price for our collection service."

She said commissioners have been told the county's collection rate for solid waste accounts is at 93 percent. While this is good, she said the county needs everyone to pay.

Commissioner Tom Grimley said he agrees with Commissioner Westbrook that the county needs to be aggressive in collecting debt. He said the county will be setting solid waste collection service rates within the next few months, and he does not want the paying customers to have to make up the difference for those who do not pay accordingly.

Grimley said the county can have lower rates if it has a higher percentage of collection on
